OWNER'S CERTIFICATE

PRAIRIE FIELDS L.P., an Illinois limited partnership, its successors and assigns, being the legal owner (herein the "Owner") of the real estate described in Exhibit "A" attached hereto, and has caused the same to be surveyed by Brian R. Myers, Illinois Professional Land Surveyor No. 3032, and has subdivided said real estate into lots, streets, common areas, and utility and drainage easements as indicated on the annexed plat, (herein the "Plat") bearing the Certificate of said Brian R. Myers made under date of April 28, 2003, said subdivision to be known as Prairie Fields 6 Subdivision, Village of Savoy, Champaign County, Illinois.

Owner hereby grants and dedicates for the use of the public as streets, driveways, and courts all of the streets, driveways, and courts shown on said Plat, and each of said streets, driveways, and courts shall be hereafter known by the respective names designated thereon.

Owner hereby dedicates perpetually the tracts shown on the Plat as utility and drainage easements to the public for use by utilities for public utility purposes, including but not limited to water, sanitary sewer, storm sewer and drainage, gas, telephone, electricity, cable television, or any other similar use that the public entity in whose jurisdiction the easement lies deems a utility. All such utility improvements shall be located underground.

An owner of easement rights hereunder shall have the right to authorize persons to construct, occupy, maintain, use, repair, and reconstruct utilities within said easement and to maintain or authorize the utility to maintain said easement free from buildings, fences, structures, and obstructions of any kind whatsoever, except paving surfaces and as otherwise noted herein. No person shall obstruct said easement unless the entity with authority to do so authorizes said obstruction in writing. Vegetation, unless otherwise prohibited by law, shall not be considered an obstruction of the easement nor shall post office boxes or other small structures required by law to be placed within the easement; however, the property owner shall bear the cost of repair or replacement of any such items damaged or destroyed as a result of use or maintenance of the easement for utility purposes. The cost of removing unauthorized obstruction shall be borne by the owner of the property on which said obstruction is located.

The owners of coextensive easement rights shall first determine whether improvements have been constructed by another authorized entity before commencing construction or maintenance hereunder, and shall construct and maintain improvements in a manner so as not to disturb, damage, or impede other pre-existing utility or drainage improvements. Breach of the foregoing requirement shall entitle the party suffering damage to recover from the breaching party all costs of repair, as well as costs of collection of same, including reasonable attorney fees.

The owners of easement rights granted hereunder hereby indemnify, hold harmless, and defend Owner, its successors and assigns, and the lot owners against any and all claims, suits, or damages (including court costs and reasonable attorney fees incurred by the indemnified party) or causes of action for damages, and against any orders, decrees, or judgments which may be entered in respect thereof, as a result of any alleged injury to person and/or property or alleged loss of life sustained as a result of the use of the easements granted hereinabove to or by the indemnifying party, its licensees, invitees, lessees, sublessees, successors, and assigns.

The owners of easement rights granted hereunder will not cause or permit the escape, disposal or release on the subject real estate of Hazardous Substances, nor will such owners do or allow anyone else to do anything that is in violation of any Environmental Law. "Hazardous Substances" are those substances defined as toxic or hazardous substances, wastes, or materials by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. "Environmental Law" means federal laws and laws of the jurisdiction where the real estate is located that relate to health, safety or environmental protection. The owners of easement rights granted hereunder hereby indemnify, hold harmless, and defend Owner, its successors and assigns, and the lot owners from and against any and all loss, penalty, fine, damage, liability or expense (including, without limitation, court costs and reasonable attorney fees) arising or resulting from or in any way connected with the breach of the foregoing obligations by such owners of easement rights.

Acceptance of the foregoing grants of easement by the Village of Savoy, public utilities, or any other party availing themselves of such easement rights shall bind such party to comply with any obligations set forth herein regarding use of such easement areas.

Authority to Amend or Release Covenants: The owners of legal title of record of seventy-five percent (75%) of the building sites in Prairie Fields Subdivisions shall have the authority at any time to release or amend all or any part of the restrictions, conditions, covenants, reservations, liens, or charges herein set forth applicable to such area, and such release or waiver shall become effective upon the recording of such release or amendment in the Recorder's Office of Champaign County, Illinois. Notwithstanding the foregoing, paragraphs nos. 4, 5, 15, 16, 18, 21, 22, 23, 24, 25, 28, and 29 shall not be released or amended without the specific written approval of the Board of Trustees of the Village of Savoy, which covenants the Village of Savoy shall have standing to enforce. Further, the Developer shall have the right to record an amendment to this Owner's Certificate and Restrictive Covenants to correct any technical errors within sixty days of the date of recording of the Plat of Subdivision with the Champaign County Recorder's Office, provided the Developer receives the written consent of the Village of Savoy.

24. Homeowners' Association: It is understood that the Prairie Fields Homeowners' Association has been incorporated, and all association fees for each lot will be paid by the lot owner. The owners of Lots in Prairie Fields 6 Subdivision agree to accept membership in said Association and to be bound by the rules and regulations of said Association and to maintain membership therein so long as such ownership is retained.

A primary purpose of said Association will be to provide for the ownership, development and maintenance and upkeep of the common areas and storm water detention basins of Prairie Fields Subdivisions, as well as any under drains and appurtenances constructed within such subdivisions. The costs of maintaining detention basins within Prairie Fields Subdivisions shall be shared equally by each subdivision based upon the ratio of the square footage of such subdivision divided by the total square footage of all subdivisions utilizing the basins. Assessments for each lot within Prairie Fields 6 Subdivision shall be a flat fee based on the total assessment attributable to Prairie Fields 6 Subdivision divided by the number of lots. Each lot owner shall be subject to and share equally in the payment of an annual assessment for annual dues to the Association in such amounts and at such times as determined by the Board of Directors.

The Prairie Fields Homeowners' Association is hereby granted the authority to place assessment liens against any lot for any unpaid assessments and granted the authority to recover interest and reasonable attorney fees in the enforcement of these covenants.

The Prairie Fields Homeowners' Association shall have the power and authority to enforce any and all covenants, restrictions, and agreements applicable to lots within the aforesaid Subdivision.

The common areas developed in the Prairie Fields Subdivisions shall be subject to the rules and regulations established by the Prairie Fields Homeowners' Association and the use of common areas and common facilities which may be provided by the Developer from time to time shall be subject to the rules and regulations established by said Homeowners' Association.

The Homeowners' Association shall have the power to make agreements with park districts, not-for-profit corporations, or any other municipal government for the maintenance of any common areas and shall have the power to convey any said common areas to said municipal government or park district subject to a vote of the majority of the Homeowners' Association, provided said property is within the jurisdictional boundaries of such municipal government or park district..

The Homeowners' Association shall establish a publicly listed telephone number and post office box in the municipality to which the subdivisions are annexed, both to be maintained and monitored by the President of the Association at the Association's expense, until such time as the purpose of the Homeowners' Association shall no longer exist.

Until such time as lots 645 and 646 are conveyed by the Developer to the Village of Savoy, the Homeowners' Association shall be responsible for maintenance of such lots.

25. Separability: If it shall at any time be held that any of the restrictions, conditions, covenants, reservations, liens, or charges herein provided, or any part thereof, are invalid or for any reason become unenforceable, no other restrictions, conditions, covenants, reservations, liens or charges, or any part thereof, shall be thereby affected or impaired.

26. Construction: During any period of construction or repair the lot owner responsible for such construction and repair shall maintain proper safety procedures, including appropriate construction barriers. Any construction use of easement areas for ingress and egress shall be minimized so as to not interfere with traffic and so as not to create offensive dust, debris, noise or fumes. Any damage to common areas or private lots, wherever located, caused by construction traffic shall be promptly repaired by the lot owner so as to place such damaged area in the condition which existed immediately prior to the construction period. If, during any phase of construction activities, disruptions occur which obstruct or otherwise negatively affect the traffic flow or activities of the other lot owners, the Architectural Control Committee may direct the lot owner to immediately cease and desist using the contractors or subcontractors causing said disruption and the lot owners shall promptly comply with such direction. Failure by such lot owner to comply shall entitle the Architectural Committee to a preliminary restraining order and an injunction restraining the lot owner from continuing construction until the disruptions are remedied by the lot owner and such contractors and subcontractors.

27. Hazardous Waste: No lot owner shall cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances on or in their respective lot. Lot owners shall not do, nor allow anyone else to do, anything affecting their lot that is in violation of any Environmental Law. The preceding two sentences shall not apply to the presence, use, or storage on their lot of small quantities of Hazardous Substances that are generally recognized to be appropriate to maintenance of the premises.

Lot owners shall promptly give the Homeowners' Association written notice of any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving their lot and any Hazardous Substance or Environmental Law of which lot owners have actual knowledge. If the lot owners learn, or are notified by any governmental or regulatory authority, that any removal or other remediation of any Hazardous Substance affecting their lot is necessary, the lot owners shall promptly take all necessary remedial actions in accordance with Environmental Law.

As used in this paragraph 27, "Hazardous Substances" are those substances defined as toxic or hazardous substances by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials. As used in this paragraph 27, "Environmental Law" means federal laws and laws of the jurisdiction where the real estate is located that relate to health, safety or environmental protection.

28. Drainage and Lot Contour: The platted lots shall substantially retain their original contours and no excavation or filling shall be undertaken on any of the lots in the subdivision which substantially varies the contour of the lot as originally platted, except with the written permission of the Architectural Committee. During construction, all dirt from excavation shall be confined to the lot on which the excavation is made or stockpiled in an area approved by the Architectural Committee. Nothing (except permitted fences and buildings) shall be placed upon any lot in such a way that it will interfere with the natural surface drainage of the subdivision. Rough grading of the site shall be completed by the time framing starts. In the events of a violation of any of the provisions of this paragraph, the architectural committee may give notice of such violation to the lot owner, builder or contractor, who shall then correct the same within a period of seven days from the receipt of such notice, and if her or she does not do so, the Architectural Committee may take such corrective measures as they deem appropriate and the cost of such work, and any legal proceedings instituted to enforce this covenant, shall be paid by the lot owner or owners who are found to have failed to comply with this restriction. The Architectural Committee shall have standing to enforce this provision in any court or administrative proceeding necessary, and shall be entitled to recover from the lot owner any administrative fees and reasonable attorney fees incurred pursuant thereto.

29. Annexation Agreement: The prior owners of the real estate legally described in Exhibit A attached hereto executed the Annexation Agreement with the Village of Savoy, Illinois, which agreement affects this real estate and other contiguous real estate. The Annexation Agreement includes various provisions and requirements regarding the development, use and subdivision of said real estate, which shall, to the extent applicable, apply to the lots and lot owners of Prairie Fields 6 Subdivision and to the Prairie Fields Homeowners' Association.

**SUBDIVIDER'S BOND
PRAIRIE FIELDS SUBDIVISION NO. 6**

KNOW ALL MEN BY THESE PRESENTS:

That the undersigned, **PRAIRIE FIELDS L.P.**, an Illinois limited partnership, hereinafter referred to herein as "Principal", is held and firmly bound unto the **PEOPLE OF THE VILLAGE OF SAVOY, ILLINOIS**, in the penal sum of **Fifty thousand three hundred seventy and 18 /100 DOLLARS (\$50,370.18)** lawful money of the United States, for the payment of which the undersigned and its successors and assigns by these presents are firmly bound.

The condition of this obligation is such that if the said Principal satisfactorily completes the construction of the improvements shown on the Plat and the Plans and Specifications with regard to Prairie Fields Subdivision No. 6 within a period of two (2) years from the date hereof, in accordance with the approved Plat, Plans and Specifications for said Subdivision and in accordance with all applicable ordinances, codes, and resolutions of the Village of Savoy in effect as of the date of execution of this Subdivider's Bond, said satisfactory completion as evidenced by the written approval of the Village of Savoy's Engineer, which written approval shall not be unreasonably withheld, and repairs any damage to the same caused by faulty materials or workmanship within a period of one (1) year after the final inspection and conditional acceptance of said improvements by the Village of Savoy, Illinois, then this obligation is to be void and of no effect; otherwise, to remain in full force and effect.

The undersigned Principal does hereby agree that in the event an action for damages for performance is started by the Village of Savoy, Illinois, that the question of consideration and bondable interest of the Village shall not be raised as a defense, but on the contrary, the undersigned Principal does hereby, by these presents, agree that the Village has a bondable interest in the construction of the improvements shown on the Plat and in the Plans and Specifications of Prairie Fields Subdivision No. 6.

This Bond shall be secured by an Irrevocable Letter of Credit issued by Heartland Bank and Trust Company, Bloomington, Illinois, in a sum not less than **Fifty thousand three hundred seventy and 18 /100 DOLLARS (\$50,370.18)**. If the Letter of Credit expires before the expiration of the term of this Bond, the Principal shall furnish other security satisfactory to the Village of Savoy, or shall have a new (or successive) Irrevocable Letter of Credit issued in said amount in form satisfactory to the Village.

Notwithstanding the foregoing, upon payment by the Principal of invoices for public improvements made in Prairie Fields Subdivision No. 6 the Principal may periodically forward a written request to the Village Engineers, with a copy to the Village, requesting that the amount of surety required on this bond be reduced in amounts equal to eighty-five percent (85%) of each payment made by the Principal for the purpose of paying invoices for public improvements made in Prairie Fields Subdivision No. 6. The Village Engineers must then determine in writing directed to the Surety and the Village that said work has been satisfactorily performed, that the

amount paid was reasonable, and that the Surety amount reduction is appropriate. Said determination shall be given to the Surety and the Village within a reasonable amount of time after submission by the Principal. In no event shall the amount of the Surety required on this Bond be reduced in an amount less than fifteen percent (15%) of the original amount of this Bond.
